

Rattler Goggles Series Specification Sheet

PRODUCT DESCRIPTION:

Rattler™ features interchangeable 3-position ratcheting bayonet temples and an adjustable head band with each pair. A unique feature of the head band with hook and loop closure is the ability to adjust with one hand while wearing. The Rattler ™also features full length, non-slip TPR temple sleeves for comfort and grip. A closed cell foam seal provides optimum protection from small particles and debris. The light weight nylon frame and polycarbonate wrap-around lens design provides greater side impact protection. Anti-fog lens offerings include clear, gray, amber, and indoor/outdoor clear mirror in both black and silver frames and are treated with our exclusive Duramass® scratch-resistant coating.

FEATURES:

- Interchangeable 3-position ratcheting bayonet temples & an adjustable head band with each pair
- Closed cell foam seal provides optimum protection from small particles and debris
- Rugged polycarbonate lens filters 99.9% U.V. rays
- Light weight nylon frame
